

AUDITOR - GENERAL
SOUTH AFRICA

The Accounting Officer
Thulamela Local Municipality
Private Bag x 5066
Thohoyandou
0952

30 November 2023

Reference: 15194REG22/23

Dear Sir

Report of the Auditor-General on the financial statements, annual performance report, compliance with legislation and other legal and regulatory requirements of Thulamela Local Municipality for the year ended 30 June 2023

1. The above-mentioned report of the Auditor-General is submitted herewith in terms of section 21(1) of the Public Audit Act No. 25 of 2004 (PAA) read in conjunction with section 188 of the Constitution of the Republic of South Africa section 126(3) of the Municipal Finance Management Act 56 of 2003 (MFMA)
2. We have not yet received the other information that will be included in the annual report with the audited financial statements and the annual performance report and have thus not been able to establish whether there are any inconsistencies between this information and the audited financial statements, the annual performance report or our report on compliance with legislation. You are requested to supply this information as soon as possible. Once this information is received it will be read and should any inconsistencies be identified these will be communicated to you and you will be requested to make the necessary corrections. Should the corrections not be made we will amend and reissue the audit report.
3. In terms of section 121(3) of the MFMA you are required to include the auditor's report in the municipality's annual report to be tabled.
4. Prior to printing or copying the annual report which will include the auditor's report you are required to do the following:
 - Submit the final printer's proof of the annual report to the relevant senior manager of the Auditor-General of South Africa for verification of the audit-related references in the auditor's report and for confirmation that the financial statements, annual performance report and other information are those documents that have been read and audited. Special care should be taken with the page references in your report, since an incorrect reference could have audit implications.
 - The signature *Auditor-General* in the handwriting of the auditor authorised to sign the audit report at the end of the hard copy of the audit report should be scanned in when preparing to print the report. This signature, as well as the place and date of signing and the Auditor-General of South Africa's logo, should appear at the end of the report, as in the hard copy that is provided to you. The official logo will be made available to you in electronic format.
5. Please notify the undersigned Senior Manager well in advance of the date on which the annual report containing this audit report will be tabled.
6. The confidentiality of information obtained in an engagement must be observed at all times. In terms of section 50 of the PAA and the International Code of Ethics for Professional Accountants of the International Ethics Standards Board for Accountants (including International

Auditing to build public confidence

Auditor-General of South Africa
www.agsa.co.za

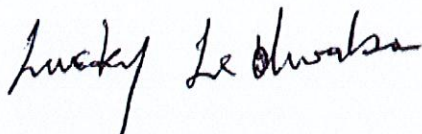

Independence Standards), members of the staff of the Auditor General (AG), or an audit firm appointed in terms of section 25 of the PAA, may not disclose or make available any information obtained during an audit, other than the final auditor's report, to any third party without the permission of the AG or his/her delegate, unless this is to a legislature or internal committee of a legislature or a court in a criminal matter..

7. Until the steps described in par. 2 and par. 4 of this document are completed and the annual report is tabled as required by section 127(2) of the MFMA municipality, the audit report is not a final and public document and you are therefore requested to treat it as confidential.
8. Your cooperation to ensure that all these requirements are met would be much appreciated.

Kindly acknowledge receipt of this letter.

Yours sincerely

Signed

.....
Ledwaba Lucky

Report of the auditor-general to Limpopo Provincial Legislature and the council on Thulamela Local Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Thulamela Local Municipality set out on pages xx to xx, which comprise the statement of financial position as at 30 June 2023, statement of financial performance, statement of changes in net assets, cash flow statement and statement of comparison of budget information with actual information for the year then ended, as well as notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Thulamela Local Municipality as at 30 June 2023 and its financial performance and cash flows for the year then ended in accordance with the Standards of Generally Recognised Accounting Practice (Standards of GRAP) and the requirements of the Municipal Finance Management Act 56 of 2003 (MFMA) and the Division of Revenue Act 5 of 2022 (DoRA).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the responsibilities of the auditor-general for the audit of the financial statements section of my report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)* (IESBA code) as well as other ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters

Material impairments of receivables

7. As disclosed in note 39 to the financial statements, a material loss of R 63 740 637 (2022:145 247 068) was incurred as a result of impairment in respect of doubtful receivables

Underspending of the conditional grant

8. As disclosed note 16 to the financial statements, the municipality materially underspent Municipal Infrastructure Grants and Integrated National Electrification Programme by R 28 013 382

Litigation and claims

9. With reference to note 47 to the financial statements, the municipality is the defendant in lawsuits. The municipality is opposing the claims, the ultimate outcome of the matter could not be determined and no provision for any liability that may result was made in the financial statements.

Restatement of corresponding figures

10. As disclosed in note 49 to the financial statements, the corresponding figures for 30 June 2022 were restated as a result of an error in the financial statements of the municipality at, and for the year ended, 30 June 2023

Other matters

11. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Unaudited disclosure note

12. In terms of section 125(2)(e) of the MFMA, the particulars of non-compliance with the MFMA should be disclosed in the financial statements. This disclosure requirement did not form part of the audit of the financial statements and, accordingly, I do not express an opinion on it.

Unaudited supplementary schedules

13. The supplementary information set out on pages xx to xx does not form part of the financial statements and is presented as additional information. I have not audited these schedules and accordingly, I do not express an opinion thereon

Responsibilities of the accounting officer for the financial statements

14. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the Standards of GRAP and the requirements of the MFMA and DoRA; and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
15. In preparing the financial statements, the accounting officer is responsible for assessing the municipality's ability to continue as a going concern; disclosing, as applicable, matters relating to going concern; and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Responsibilities of the auditor-general for the audit of the financial statements

16. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
17. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Report on the audit of the annual performance report

18. In accordance with the Public Audit Act 25 of 2004 (PAA) and the general notice issued in terms thereof, I must audit and report on the usefulness and reliability of the reported performance against predetermined objectives for the selected key performance area presented in the annual performance report. The accounting officer is responsible for the preparation of the annual performance report.
19. I selected the following key performance area presented in the annual performance report for the year ended 30 June 2023 for auditing. I selected key performance area that measures the municipality's performance on its primary mandated functions and that are of significant national, community or public interest.

Key performance area	Page numbers	Purpose
Infrastructure development and basic service delivery	XX	To provide infrastructure and sustainable basic services
Local Economic Development	XX	To promote economic development through job creation

20. I evaluated the reported performance information for the selected key performance area against the criteria developed from the performance management and reporting framework, as defined in the general notice. When an annual performance report is prepared using these criteria, it provides useful and reliable information and insights to users on the municipality's planning and delivery on its mandate and objectives.
21. I performed procedures to test whether:
- the indicators used for planning and reporting on performance can be linked directly to the municipality's mandate and the achievement of its planned objectives

- the indicators are well defined to ensure that they are easy to understand and can be applied consistently, as well as verifiable so that I can confirm the methods and processes to be used for measuring achievements
- the targets can be linked directly to the achievement of the indicators and are specific, time bound and measurable to ensure that it is easy to understand what should be delivered and by when, the required level of performance as well as how performance will be evaluated
- the indicators and targets reported on in the annual performance report are the same as those committed to in the approved initial or revised planning documents
- the reported performance information is presented in the annual performance report in the prescribed manner
- there is adequate supporting evidence for the achievements reported and for the measures taken to improve performance

22. I performed the procedures for the purpose of reporting material findings only; and not to express an assurance opinion or conclusion.

23. I did not identify any material findings on the reported performance information for key performance area: Local economic development.

24. The material findings on the reported performance information for the selected key performance area are as follows:

Infrastructure development and basic service delivery

TECH 02: Number of indigent households earning less than R3 500 per month that receives FREE basic electricity services by June 2023

25. The planned target for this indicator was 0 indigent households earning less than R3 500 per month that receives FREE Basic electricity services by June 2023. However, the target was not specific in that it was not indicated how it would be measured. Consequently, the information might be less useful for measuring performance.

Various Indicators

26. Based on audit evidence, the actual achievements for the following three (3) indicators did not agree to what was reported. I could not determine the actual achievements, but I estimated them to be materially less than reported. Consequently, it is likely that the target was not achieved as we were not able to validate the reported achievement due to some of the job cards not signed.

Indicator	Target	Reported Achievement
CS02: Number of households in urban areas having access to basic level of solid waste removal per week by June 2023	20 069 households in urban areas having access to basic level of solid waste removal per week by June 2023	20 069 households in urban areas having access to basic level of solid waste removal per week by June 2023

CS03: Number of households in rural areas having access to basic level of solid waste removal per week by June 2023	7148 households in rural areas having access to basic level of solid waste removal per week by June 2023	7148 households in rural areas having access to basic level of solid waste removal per week by June 2023
CS04: Number of villages having access to common /identified points basic level of solid waste removal per week by June 2023	102 villages having access to a common/identified points basic level of solid waste removal per week by June 2023	102 villages having access to a common/identified points basic level of solid waste removal per week by June 2023

Other matters

27. I draw attention to the matters below.

Achievement of planned targets

28. The municipality plays a key role in delivering services to South Africans. The table that follows provide information on the achievement of planned targets and lists the key service delivery indicators that were not achieved as reported in the annual performance report. The reasons for any underachievement of targets taken to improve performance are included in the annual performance report on pages 64 and page 80.

Infrastructure Development and Basic Service Delivery

<i>Targets achieved: 65%</i>		
Key service delivery indicator not achieved	Planned target	Reported achievement
TECH 02: Number of indigent households earning less than R3 500 per month that receives FREE basic electricity services by June 2023	0	0
TECH 38: Construction of 3,76km at Tshilamba phase 3 upgraded from gravel to Asphalt by June 2023	3.76KM	1.9KM

29.

Material misstatements

30. I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were in the reported performance information for infrastructure development and basic service key performance area. Management did not correct all of the misstatements and I reported material findings in this regard.

Report on compliance with legislation

31. In accordance with the PAA and the general notice issued in terms thereof, I must audit and report on compliance with applicable legislation relating to financial matters, financial management and other related matters. The accounting officer is responsible for the municipality's compliance with legislation.
32. I performed procedures to test compliance with selected requirements in key legislation in accordance with the findings engagement methodology of the Auditor-General of South Africa (AGSA). This engagement is not an assurance engagement. Accordingly, I do not express an assurance opinion or conclusion.
33. Through an established AGSA process, I selected requirements in key legislation for compliance testing that are relevant to the financial and performance management of the municipality, clear to allow consistent measurement and evaluation, while also sufficiently detailed and readily available to report in an understandable manner. The selected legislative requirements are included in the annexure to this auditor's report.
34. The material findings on compliance with the selected legislative requirements, presented per compliance theme, are as follows:

Annual financial statements

35. The financial statements submitted for auditing were not fully prepared in all material respects in accordance with the requirements of section 122(1) of the MFMA.
36. Material misstatements of current liabilities and disclosure items identified by the auditors in the submitted financial statement were subsequently corrected and the supporting records were provided subsequently, resulting in the financial statements receiving an unqualified audit opinion.

Expenditure management

37. Reasonable steps were not taken to prevent irregular expenditure amounting to R34 290 238 as disclosed in note 46 to the annual financial statements, as required by section 62(1) (d) of the MFMA.
38. Money owed by the municipality was not always paid within 30 days, as required by section 65(2)(e) of the MFMA.

Strategic planning and performance management

39. The performance management system and related controls were not maintained as the performance monitoring, review and reporting processes was not conducted and managed, as required by municipal planning and performance management regulation 7(1).

Procurement and contract management

40. Awards were made to providers whose directors were in the service of other state institutions, in contravention of MFMA 112(1)(j) and SCM Regulation 44.

Other information in the annual report

41. The accounting officer is responsible for the other information included in the annual report, which includes the audit committee's report. The other information referred to does not include the financial statements, the auditor's report and those selected key performance area presented in the annual performance report that have been specifically reported on in this auditor's report
42. My opinion on the financial statements, the report on the audit of the annual performance report and the report on compliance with legislation do not cover the other information included in the annual report and I do not express an audit opinion or any form of assurance conclusion on it.
43. My responsibility is to read this other information and, in doing so, consider whether it is materially inconsistent with the financial statements and the selected key performance area presented in the annual performance report or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
44. I did not receive the other information prior to the date of this auditor's report. When I do receive and read this information, if I conclude that there is a material misstatement therein, I am required to communicate the matter to those charged with governance and request that the other information be corrected. If the other information is not corrected, I may have to retract this auditor's report and re-issue an amended report as appropriate. However, if it is corrected this will not be necessary.

Internal control deficiencies

45. I considered internal control relevant to my audit of the financial statements, annual performance report and compliance with applicable legislation; however, my objective was not to express any form of assurance on it.
46. The matters reported below are limited to the significant internal control deficiencies that resulted in the material findings on the annual performance report and the material findings on compliance with legislation included in this report.
47. Management did not prepare regular, accurate and complete financial and performance reports that are supported and evidenced by reliable information

48. The management did not adequately implement controls over daily and monthly processing and reconciling of transactions
49. Risks relating to performance information were not sufficiently mitigated to address institutional challenges at the municipality, this despite having an action in place which was being monitored. A proper root cause analysis must be conducted by the accounting officer to identify the gaps in the action plan and to ensure that it is sufficient to mitigate the risks pertaining to performance information.

Auditor General

Polokwane

30 November 2023

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure to the auditor's report¹

The annexure includes the following:

- The auditor-general's responsibility for the audit
- The selected legislative requirements for compliance testing

Auditor-general's responsibility for the audit

Professional judgement and professional scepticism

As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected key performance area and on the municipality's compliance with selected requirements in key legislation.

Financial statements

In addition to my responsibility for the audit of the financial statements as described in this auditor's report, I also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made
- conclude on the appropriateness of the use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the ability of the municipality to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify my opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor's report. However, future events or conditions may cause a municipality to cease operating as a going concern
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Communication with those charged with governance

I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I also provide the accounting officer with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and, where applicable, actions taken to eliminate threats or safeguards applied.

Compliance with legislation – selected legislative requirements

The selected legislative requirements are as follows:

Legislation	Sections or regulations
Municipal Finance Management Act 56 of 2003	<p>Section 1 - Paragraph (a), (b) & (d) of the definition: irregular expenditure,</p> <p>Section 1 - Definition: service delivery and budget implementation plan,</p> <p>Sections 11(1), 13(2), 14(1), 14(2)(a), 14(2)(b), 15, 24(2)(c)(iv), 29(1),</p> <p>Sections 29(2)(b), 32(2), 32(2)(a), 32(2)(a)(i), 32(2)(a)(ii), 32(2)(b),</p> <p>Sections 32(6)(a), 32(7), 53(1)(c)(ii), 54(1)(c), 62(1)(d), 62(1)(f)(i),</p> <p>Sections 62(1)(f)(ii), 62(1)(f)(iii), 63(1)(a), 63(2)(a), 63(2)(c), 64(2)(b),</p> <p>Sections 64(2)(c), 64(2)(e), 64(2)(f), 64(2)(g), 65(2)(a), 65(2)(b), 65(2)(e),</p> <p>Sections 72(1)(a)(ii), 112(1)(j), 116(2)(b), 116(2)(c)(ii), 117, 122(1),</p> <p>Sections 122(2), 126(1)(a), 126(1)(b), 127(2), 127(5)(a)(i), 127(5)(a)(ii),</p> <p>Sections 129(1), 129(3), 133(1)(a), 133(1)(c)(i), 133(1)(c)(ii), 170,</p> <p>Sections 171(4)(a), 171(4)(b)</p>
MFMA: Municipal Budget and Reporting Regulations, 2009	Regulations 71(1), 71(2), 72
