

Class of 2024

Inside this issue:

#CLASS OF 2024	2
#THULAMELA MUNICIPALITY	2
#EDUCATION	2
#MATRIC RESULTS AWARD	3
#TOP ACHIEVERS	4

Each district and province showcase top students who represent their schools, local municipalities, and regions. In this regard, Thulamela Municipality has recognized the exceptional achievements of the Matric class of 2024.

The event's highlights included the presentation of awards to students who excelled academically based on their year-end results. The prizes were given out in ascending order, starting from the lowest achievers to the highest achievers, with distinctions awarded for outstanding marks in each subject.

Recognised learners under Thulamela Local Municipality represented their schools and their municipality well, followed with Mayor Cllr Rambuda A.S., awarding those learners. The ceremony took place smoothly and very lively as learners who excelled received what they worked hard for throughout the year. The ceremony was also a motivation to matriculants who will be doing matric in 2025.
