

THULAMELA LOCAL MUNICIPALITY

ERRATUM No. NOTICE

Bid Number: 10/2025/2026

Project Description: Repair and Maintenance of Thulamela Council Chamber and Committee Room

Thulamela Local Municipality wishes to inform all prospective service providers of an erratum regarding the above-mentioned bid that was advertised on **16 October 2025** in The Mirror Newspaper, on the Municipal Notice Board, and the Thulamela Local Municipality website.

When the bid was originally advertised, it was supposed to also be published on the CIDB website; however, the advertisement was not uploaded on the CIDB portal at that time.

Due to the CIDB portal setup, the system automatically generates a new availability date once the bid is uploaded. Hence, the new availability date will be the **31st of October 2025**, and the compulsory briefing session will no longer be held on the **28th of October 2025** but on the **11th of November 2025**. The closing date for Bid No. 10/2025/2026 will no longer be on the **6th of November 2025** but will therefore be extended to the **21st of November 2025**.

Please note that the originally published availability date of **16 October 2025** remains valid; however, due to the CIDB portal system, these adjustments had to be effected. Service providers who have already downloaded the bid document do not need to redownload it, as there are no changes to the content of the document except this oversight regarding its upload on the CIDB portal.

Should you require further inquiries regarding this Bid No. 10/2025/2026, please do not hesitate to contact the contact persons as per the advertisement.

The Municipality regrets any inconvenience caused.

MATSHIVHA M.M.

ACTING MUNICIPAL MANAGER
