

THULAMELA LOCAL MUNICIPALITY

ERRATUM NOTICE No. 1

BID NO.: 15/2025/2026

PROJECT TITLE: Refurbishment and Maintenance of Data Center/Server Room for a Period of Three (3) Years

Thulamela Local Municipality wishes to inform all prospective bidders and the public that an omission was identified in the functionality score table for the above-mentioned bid, which was advertised on the 30th of October 2025 in The Mirror newspaper, on the Thulamela Local Municipality Notice Board, and on the Municipality's official website.

It is hereby noted that under the functionality evaluation criteria, the item:

- "Proof of signed appointment letter or purchase order and reference letters on the delivery of IT Services"

was allocated 20% weighting points. However, the percentage symbol (%) was inadvertently omitted from the advertised version.

The correct criterion should therefore read as follows:

Proof of signed appointment letter or purchase order and reference letters on the delivery of IT Services – 20%

All other information, conditions, and evaluation criteria of the bid remain unchanged. Please note that the closing date of the Bid will remain the same, 03 December 2025.

Thulamela Local Municipality regrets any inconvenience caused.

Issued by:

ACTING MUNICIPAL MANAGER
