

# NEW YEAR BABIES

## THULAMELA LOCAL MUNICIPALITY

The Mayor of Thulamela Local Municipality Cllr Rambuda A.S, welcomed babies born on new year with gifts in hand. Mothers of babies expressed excitement about the journey ahead and they have promised to prioritise the wellbeing of their children. Parents could not contain their excitement as they welcomed their bundle of joy.

Babies born on New Year's Day symbolize fresh beginnings, hope, and new chapters in life. Their arrival is celebrated with joy, marking the first births of the year and spreading optimism throughout families and communities.

In many cultures, being born on January 1st is considered lucky, often associated with prosperity and success. Hospitals shines a light on these special births, recognizing them as significant moments that contribute to the spirit of renewal and celebration that accompanies the start of a new year.
