Family appeals for help after fire destroys their home at Mangondi village

BY KAIZER NENGOVHELA

Community members in Mangondi village in the Thulamela area are still reeling after a fire destroyed the Nematandani family's home on the night of 28 October.

The community alerted the Gabriel Ramushwana Unit of the Thulamela Fire Brigade, which responded promptly. However, by the time firefighters arrived, the fire had already caused extensive damage. The cause of the blaze remains unknown.

The family was left with almost nothing apart from the clothes they were wearing. They are appealing to community members and well-wishers for assistance with food, clothing, furniture, household utensils and building materials to help rebuild their home.

The homeowner, Mulalo Nematandani, said she could hardly believe her eyes when she saw her house engulfed in flames. "I felt like I was dreaming as I watched helplessly," she said.

Nematandani suspects that the fire may have been accidentally started by her grandchildren, whom she had found playing with a box of matches. She added that neighbours had told the family they heard an explosion shortly before the fire broke out.

Among the items destroyed were a refrigerator, kitchen unit, beds, clothing, television, money, identity documents, food and other household belongings. The fire also damaged the roof and walls of the house.

Nematandani estimates the damage at more than R250,000.

Anyone wishing to assist the family can contact Nematandani on 084 543 7544.
