

MAYORAL IMBIZO

THULAMELA LOCAL MUNICIPALITY

The Mayor of Thulamela Local Municipality her Worship, Cllr Rambuda A.S embarked on her Mayoral Imbizo Event that took place at Lufule 2, Miracle Christian Church on the 5th of June 2025. This event always takes place on a quarterly bases, which allows community members to engage directly with their public representatives on identifying their key community issues pertaining to service delivery.

The Mayoral Imbizo, it is an opportunity for citizens to hold their public representatives to account and ensure they deliver on their commitment to improve the lives of people and allows community structure and public representatives to have a face-to-face interaction engaging on the key submissions of issues the community faces.

During the event, community members made submission on service delivery they face on a daily basis including road infrastructure, housing and youth

empowerment opportunities, but the key issue of water shortage was raised sharply as community members of Ward 17 have been with no water for the past two months as they have been relying on water tankers from Vhembe District for their daily water needs.

In her response to the issues raised by the community members, the acting Mayor Cllr Kwinda, committed to follow on the demands raised and to make interactions as soon as possible.
